

Media Information for 2013 State Cross Country Saturday, November 2 – Kennedy Park, Fort Dodge

With parking being charged at the State Cross Country Meet at Kennedy Park north of Fort Dodge, **please be aware that the charge of \$10 per vehicle is for everyone, including media.** We are again announcing this in advance so that media can make the necessary arrangements with your outlet's business department.

As always media **will have some access to the clubhouse.** Limited work space for those on a **Sunday deadline** will be available. A media member can request a copy of the results but the results of each class will be posted on the IHSAA and IGHS AU web as soon as the race is declared official.

Any media wishing to take photos along the course will need to come to the Clubhouse to obtain a photo badge. **No media members are allowed to be on the awards balcony before, during or after the presentations.** If you desire a posed group photo, please work with the coach after the awards ceremony.

No formal request for media credentials is required in advance.
