

## **QUIK-STATS UPDATE: July 2 – 4:00 p.m.**

Many of our coaches are aware that QuikStats went down for a period of time starting the evening of June 27 through early Monday, June 29. The site unexpectedly crashed and coaches entering stats at that time very likely “lost” what was entered.

To allow for better and faster service, the move to house QuikStats on a more dedicated server was completed Tuesday and early Wednesday. Unfortunately, games entered during that time frame were also lost.

The IHSAA apologizes for the “double work” this has caused for about a dozen coaches and statisticians, and an untold number who could not access the site on Sunday and Monday. At this time we do not know if the data can be recaptured. Our best guess is that it can not. We urge coaches to look at their stats on the QuikStats link as soon as possible to be sure it is up to date.

In an effort to help schools through this time and still enjoy the Fourth of July with their families and teams, the Athletic Association will allow schools to exercise the following deadlines to have all games played up to date. The dates replace the July 6 check point for the third check and for those receiving first or second letters of non-compliance last week.

Class 1A – July 14

Class 2A – July 11

Class 3A – July 17

Class 4A – July 17

We thank you for your understanding and cooperation.

Bud Legg  
Information Director
