

The following bat list contains **all approved aluminum or composite bats** that have been approved by the National Federation Rules Committee that are **BESR** logoed/approved for use for the 2011 baseball season only. **Please note:** Starting with the 2012 baseball season, all National Federation High School bats used in grades 9-12, must be **ABI** tested and approved and have a **BBCOR** embossed logo on the bat. The IHSAA appreciates your cooperation with this one year safety transition.

Barrel Classification Legend:
A - Hollow Aluminum Alloy
B - Solid Wood, Solid Wood Laminate or Solid Bamboo Laminate
C - Hollow Fiber Composite
D - Other [Not A, B, or C]
 (e.g. Multiple Materials)
