100 YEARS OBSERVED

At the 2012 State Tournament the IHSAA is observing the first 100 Years of State Tournaments, 1912 through 2011. This includes the years 1912 through 1922 when the tournament was run by the Iowa High School Athletic Council, which operated with the consent of the IHSAA.

Early IHSAA Bulletins referenced those invitational state tournaments as part and parcel of the high school fabric in Iowa. In 1923 when the IHSAA assumed full control it was to establish a playing season, eligibility, rule codification, and a pre-state tournament series for qualifying.

IHSAA MISSION & PURPOSE

MISSION

“The Iowa High School Athletic Association serves its member schools and students by providing leadership and support for education based interscholastic athletics that enrich the educational experience of the student athlete.”

PURPOSE

“To promote, develop, direct, protect, and regulate amateur interscholastic athletic relationships between member schools and to stimulate fair play, friendly rivalry, and good sportsmanship among contestants, schools, and communities throughout the state.”

CHAMPIONSHIP GAME RESULTS

The results of all state tournament games from 1912 thru 2010 can be found on the IHSAA website - Basketball page at the following link <http://www.iahhsa.org/basketball/Archives/archives.html>
