

INFORMATION REGARDING TEAM & INDIVIDUAL PICTURES BOYS ONLY

Each member of a qualifying team and each individual qualifier will receive a picture plaque from the IHSAA. Pictures for these plaques will be taken at the meet site. We will be ready to take pictures no later than 9:00 am. If the photographer is there earlier we will make an announcement. Pictures must be taken by 11:00 am. Once the competition begins, we will no longer take pictures. Each school qualifying a team will be provided with 8 plaques, one for each of the seven runners and one for the coach. Each school qualifying individuals will be provided with a plaque for each individual qualifier and the head coach. If a school has more than one individual qualifier, the qualifiers and the coach will have one picture taken. Please do not ask the photographers to take pictures of girls' teams as they have been instructed not to do so. You will have an opportunity to purchase additional plaques when the picture is sent to you for identification.
