

## Placement of Timing Tag:

Below you can see the tags that we will be using for this event. Please make note that the numbered Red Logoed side should be up and attached long side from toe to heal ON TOP OF THE LACES.

When removing the tag please pay special attention to CUT ONLY THE BLACK TIE. DO NOT CUT THE TAG. If the tag is cut the participant will be charge a \$25 fee.

If this is for a Cross Country Event you will receive two identically numbered tags rubber-banded together with 4 black ties (2 for each tag). If the athletes or coaches cut the card then the tags can't be re-used and we will charge a \$60 dollar fee.

See picture below:
