

2013 NEW VARSITY GOLF SHIRT REGULATION

Starting with the 2013 spring golf season, all **VARSIITY** participants in regular season and tournament competition must wear the same (color and style) school issued or school approved **golf uniform shirt** (collared or not collared), during competition.

Due to adverse weather conditions, if an individual VARSITY player desires to wear clothing (jacket/sweatshirt) over the top of his shirt, this jacket/sweatshirt does not need to be the same as his teammates.

Caps/visors, shirts, pants/shorts, jackets/sweatshirts must all be school approved and have no alcohol, tobacco or any inappropriate logo signage on the clothing. Please remember the only attire that needs to be the same on each VARSITY participant is the collard or not collared shirt.
