FACULTY REPRESENTATIVE / COACH ACCOMPANYING OUR GOLFERS:

_____ No entrants will be allowed to compete unless they are accompanied by a faculty representative.

Please read your 2013 Spring Sports Manual for regulations pertaining to sectional, district and state golf. The 2013 Spring Sports Manual can be found on our website (www.iahsaa.org) under "Golf".

KIND OF PLAY: Tournament play will be eighteen (18) holes of medal play (see enclosed rain information). For all regular season and post season tournament play the USGA playing rules will be followed unless modified by the local course management. All golf matches shall be played in accordance with the 2013 USGA Rules of Golf rule 13-1. The ball shall be played as it lies, except as otherwise provided in the rules. The USGA does allow for areas of the golf course to be marked and defined as Ground Under Repair (rule 25-1). If it is determined that areas of the golf course are unsuitable for play, the committee shall define these areas as Ground Under Repair. The Ground Under Repair shall be marked and defined accordingly so no questions will arise as to the boundaries of said areas. Poor turf conditions do not necessarily equate to Ground Under Repair. Ground Under Repair is defined as abnormal ground conditions. If an area is abnormal in relation to the entire golf course, then it should be defined as Ground Under Repair. **We will use a shot-gun start.**

ENTRIES: A school may play no more than six boys in the sectional, district and/or state meet. The four best scores on that day will count to determine the total score for the school. A school entering less than four players may compete for individual honors only.
