## ***We Appreciate Your Assistance***

*The State Singles and Doubles Tennis Tournament celebrates its 82nd competition in 2010. The tournament has been contested in two classes since 1977 and a separate structured Team Tennis format began in 1983. The sport has a glorious history which we continue to research.*

*Accordingly, we have expanded the amount of information this book contains. While there is still more to do, we believe the athletes and the sport merit continued updates as information is documented.*

*It is the goal of all of our publications to be accurate and complete. If you discover an error, can correct a spelling, or contribute a name we would appreciate you notifying us at [blegg@iahsaa.org](mailto:blegg@iahsaa.org)*

*We are missing some names of double teams that were runner-up. Any coach, school administrator, member of the media, or athlete/fan who knows of information that is "missing" please send to Bud Legg at above Email address or to him at IHSAA; PO Box 10; Boone, IA 50036-0010.*

## **IHSAA MISSION & PURPOSE**
