We Appreciate Your Assistance

The State Singles and Doubles Tennis Tournament celebrates its 85th year of competition in 2013. The tournament has been contested in two classes since 1977 and a separate structured Team Tennis format began in 1983. The sport has a glorious history which we continue to research. This edition contains some name clarifications in singles and doubles. from 1954-1957.

Accordingly, we have expanded the amount of information this book contains. While there is still more to do, we believe the athletes and the sport merit continued updates as information is documented.

It is the goal of all of our publications to be accurate and complete. If you discover an error, can correct a spelling, or contribute a name we would appreciate you notifying us at blegg@iahsaa.org

We are still missing some names of double teams that were runner-up. Any coach, school administrator, member of the media, or athlete/fan who knows of information that is "missing" please send it to Bud Legg at above Email address or to him at IHSAA; PO Box 10; Boone, IA 50036-0010.
