

# WRIST BANDS

Wrist Bands will be used for your admittance into Drake Stadium for the State Track meet. Close attention to the rules is needed to avoid embarrassment or removal from the facility during the meet.

## RULES

1. Must be worn on the wrist at all times. The band when placed on the wrist will not come off unless you cut it off. It is good for both days of the state meet. A contestant must leave it on the wrist over night for stadium entrance on the following day.
2. Ushers will not allow admission unless the band is properly in place. You will be denied admittance if you do not have the band on your wrist.
3. Participants will not be allowed on the track or infield without the band in place. Do not remove the band until you are ready to leave the meet for good.
