**STATE MEET
STAT BOOK**

UP TO AND INCLUDING PERFORMANCES IN THE
2008 STATE MEET

**IOWA HIGH SCHOOL
ATHLETIC ASSOCIATION
BOONE, IOWA**

PREFACE

For the past 31 years, the IHSAA has published this book. It represents the research and organization of many people who have been at the forefront and behind-the-scenes of Iowa prep track and field.

While this book identifies mainly the past team and event champions, it also represents the IHSAA's admiration and respect for all of the athletes, coaches, officials, and administrators who have nurtured our track and field program to the status it currently enjoys.

We hope that as you read the names you will recognize former Olympians - including champions and medal winners, collegiate champions, All-Americans, American and world record holders, collegiate and professional athletes in other sports, and a countless number of successful individuals in all walks of life each who has breathed life into the IHSAA credo of "Sportsmanship and Citizenship." To no one's surprise the same is true of the near champions, other place winners and participants who are not found on the following pages, but share in the tradition of greatness known as Iowa high school track and field. Each remains a hometown champion and hero because of his sacrifice and dedication.

That is the legacy that in 2009 is in its 104th year and serves as a strong testimonial of the wonderful experience of being a high school athlete.

To these people, their coaches, and the fans of Iowa high school athletics we are indebted!

A THANK YOU TO ALL

Our thanks to the late Tom Barker of the *Des Moines Register*, Terry Hersom of the *Sioux City Journal*, the sports departments of the *Cedar Rapids Gazette*, *Quad City Times*, Dennis Johnson of the Des Moines Schools, Jim Young, formerly of Waterloo and who has researched many track and field meets; and Paul Morrison of Drake University plus many coaches, athletic directors, administrators in our schools, fans, and our great friend - the late Mike Henderson, for their efforts in helping us make this book complete.

This year's edition represents our most thorough history of team and event champions. Many of the names of the event champions have been resolved with less than 10 first names now missing. Those who read this book should know that we always welcome corrections. We are continuing our research for the names of the runners of winning relays teams. We currently have most of them from 1955-2007 but those from 1905-1954 are difficult to find. We hope schools and local media can assist us. In coming years we will try to chronicle the history of the champions at the State Indoor Meet, held from 1926 until 1973.

We invite you also to review the information contained on the track page of our website <www.iahsaa.org>. The archives contain an all-time best list of performances. We welcome corrections in that list. As we receive verification of performances we may have missed they are added. Times that appear in hundredths are fully-automatic as they are in this book. Other performances are rounded up to the nearest tenth in accordance with official track and field timing procedures.

This State Meet Stat Book, like many others we produce, is updated annually and available in PDF format on our website. We take measures to try and improve the quality and accuracy of the information each year. However, with nearly 6,500 names of athletes and schools plus performances, an error(s) in spelling, a typo or an inaccuracy can occur. If you discover any please contact Bud Legg at the IHSAA by e-mail at blegg@iahsaa.org or by regular mail: Bud Legg; IHSAA; PO Box 10; Boone, IA 50036-0010.

MISSION STATEMENT

"The ideals of good sportsmanship, ethical behavior, and integrity permeate our culture. The values of good citizenship and high behavioral standards apply equally to all activity disciplines. In perception and practice, good sportsmanship shall be defined as those qualities of behavior which are characterized by generosity and genuine concern for others. Further, an awareness is expected of the impact of an individual's influence on the behavior of others. Good sportsmanship is viewed by the Iowa High School Athletic Association as a concrete measure of the understanding and commitment to fair play, ethical behavior, and integrity."

Overview and Brief History of the IHSAA's Oldest Sport

OVERVIEW: Track and Field was the very first competition the Iowa High School Athletic Association approved for a State Meet – May 1906. With the first century tucked away in history, Iowa preps target the State Meet. It is a spring tradition that has grown in the number of participants and fans.

The information found in this book is the most update information the I.H.S.A.A. archives. It includes the team champions and runner-up for each of the first 101 years. If you find a spelling error or an error in performance, please contact Bud Legg at the IHSAA (515-432-2011 or email <blegg@iahsaa.org>. Also, please contact us if you know the first name of any champion that is listed by last name only.

The State Meet records (overall and by class) are those established in the State Meet and in running events that are contested in meters. Below are those records and the ones for comparable yardage events are listed in italics. Comparisons between the two are difficult because of the variables that come into play. We have listed both plus the best state meet and all-time performance as matter of legacy and respect. A more detailed all-time best list is located on the track page of the IHSAA website under "Track Archives." ***The all-time bests are performances recorded in any high school competition sanctioned by the IHSAA or NFHS. It is not to be confused with the State Meet Record, which is set only in that meet. An all-time best established outside of Iowa is noted with the date and sight followed by the best all-time performance in Iowa.***

Performances appearing in tenths of seconds are hand-timed and rounded up; those in hundredths are fully automatic. Converted yardage times to a metric time appear in parenthesis or with a '. Field event marks are listed according to the reporting rules at the time they were achieved.

HISTORY: Prior to 1906 Iowa State and the University of Iowa held "open state meets" as early as the mid-1890s. The meets tended to be "regional" in nature and results are difficult to find. Even after the first IHSAA sanctioned state meet, the University of Iowa continued to hold their meet for a number of years. The information in this book records only the team champion, runner-up and event champions of the IHSAA sanctioned state meets.

From 1906 through 1925 the state meet was an "open meet." Starting in 1926 district competition was initiated to determine the state qualifiers in each event. From 1906-1947 the State Meet was contested in one class. Classification started with the 1948 meet.

The events with the exception of two--the Discus and the 120 yd. High Hurdles--were unchanged until the meet went metric. From 1906 through 1938 the Discus was contested using the collegiate implement, weighing 4 lbs., 7 oz. In 1939, the 3 lbs., 9 oz implement was made standard. Likewise, from 1906 through 1934 the high hurdles were contested over 42 inch barriers (college height). In 1935 the hurdles went to 39 inches to conform with NFHS.

A brief synopsis of the history of classification in IHSAA track follows: 1906-1947 – one class; 1948-52 - two classes (A; B); 1953-81 four classes (AA, A, B, C), and 1982 to present four classes (4-A, 3-A, 2-A, 1-A). Since 1926, the smallest schools (Class 1-A) have retained the district meet as their state qualifying method. Starting in 1983, Class 4-A voted to use season performances to determine their state qualifiers. The Class 3-A and 2-A schools voted for season performance qualifying in 1990. **Effective in 2004 all four classes used district qualifying.**

State Meet scoring has changed throughout the years and follows:

Years	Places	Individual	Relays
1906-1909	3	5-3-1	5-3-1
1910-1927	4	5-3-2-1	5-3-2-1
1928-1934	5	5-4-3-2-1	5-4-3-2-1
1935-1970	5	6-4-3-2-1	8-6-4-2-1
1971-1976	6	6-5-4-3-2-1	10-8-6-4-2-1
1977-2002	6	7-5-4-3-2-1	10-8-6-4-2-1
2003-2004	8	8-7-6-5-4-3-2-1	10-8-6-5-4-3-2-1
2005	8	10-8-6-5-4-3-2-1	10-8-6-5-4-3-2-1

Iowa went metric in running events in 1978. The inclusive dates for comparable events ran in yards are as follows: 100 yd. dash, 220 yd. dash, 440 yd. dash, 880 yd. run, mile run, and 120 yd. high hurdles: 1906-1977 each; two mile run – 1968-1977; 880 yd. relay and mile relay, 1906-1977; 440 yd relay, mile medley relay, and two-mile relay, 1935-1977 each. The field events of shot put, discus, long jump and high jump have been contested from 1906 to the present. The 400 meter hurdles started in 1979. Discontinued running and field events from state competitions are included in a special section that follows.

State Meet Record Information

* Listings are the national records kept by the NFHS unless the event is not one they sanction. States must submit marks for verification. To qualify the **performance must be set against high school** competition. In other high school record listings there may be better performances but they were established against non-high school competition.

denotes event not included in NFHS national record-keeping since it is not contested in all states, but the events are run in Iowa. SHR nationally is 4 x 110m HH.
