

STATE INDOOR EVENT TRACK CHAMPIONS, 1931-1972

NOTES: (1) Iowa University ran an Indoor Meet in the early 1920s. Prior to 1931, the meet was open to high schools from neighboring states. In 1930 the Board of Control of the IHSAA negotiated with the University that starting in 1931 the meet would be limited to Iowa high schools and be known as the State Indoor Championships, with the IHSAA assuming the costs of meet management and awards. (2) Class Records – AA event records include those from large school performers, 1931-1952. The Meet was single class from 1931-39; two classes (A & B) from 1940-52) and four classes starting in 1953. The Class Records for AA events include those from large school performances from 1931-52. Record times set in preliminary or semifinal sections may or may not have been established by the eventual event champion. Events such as the 440 yard dash in some years were contested in sections – the event champion and record holder is the fastest performance. Times listed are those in the finals. Some records in each class were set by event champion or by another athlete in a preliminary heat or semifinals. (3) The IHSAA thanks Jim Young (former shot put and discus state champion from Waterloo, West and a fine Iowa high school track historian) and his wife Ginger for their invaluable work in completing the event champions list. As a result, we are proud to list the champions, which have been missing for over four decades.

Research continues to try to find first and/or complete names of athletes. Those who may know the missing names, please contact Bud Legg at blegg@iahsaa.org with corrections/additions. Microfilm results have been difficult to decipher.
